1.9 miles from Park MGM

Cost per player - \$189
The registration fee includes the green fee, cart and range balls

First Tee Time: 8:00 AM

The Association has organized this event to encourage greater participation from all members, spouses and guests. There will be two levels of competition, play your own ball and a scramble. Actual scores for the 18 holes will determine the winners in each category.

Play Your Own Ball: For our golfers who play regularly and prefer to compete individually.

Team Scramble: For our golfers who prefer a team competition and the teams will be balanced by individual abilities. All teams must use two tee shots from each team member and all players play their shot from the position of the previous best shot selected by the team. The team moves back one tee box on the next hole if they birdie a hole and up one tee box on the next hole if they bogey a hole.
