Friday 13th September Market Tour & Cooking Class

Immerse yourself in Italian cuisine with this Milan market tour and cooking class.

Start by following a chef-guide through a typical street market to learn about choosing the freshest fruits, vegetables and fish. Enjoy samples of cheese, ham and salami, and purchase ingredients for your cooking class.

Then head to the chef's home, where you'll receive a welcome drink and begin your lesson in how to make an Italian meal. You will learn four recipes from around Italy, such as pumpkin ravioli, tiramisu, strascinati, lamb, stuffed eggplant or Sicilian cannoli. End the experience by eating your creations with Italian wine.
